

If LPFM is given priority over FM translator service we are in risk of losing K-LOVE here in Midland, TX and the surrounding area. K-LOVE is heard on 88.7, 89.7 and 98.3. I have listened to K-LOVE for a long time. It's a great Christian station that serves this area by edifying, uplifting and informing. I'd sure hate to see it pushed aside. K-LOVE is truly a great service to this area.

Thank you,
Charles Claxton
